County Races Shape Into Lively Politics

There is promise this week of one of the most spirited political seasons in Randall County's history.

There are contests in both major party primaries this year and the fact that Republicans have fielded candidates for three county offices portends extension of local campaigns on to November.

Focus is on two county races. One Republican and two Democrats have announced for the office of county judge.

Professor Files For Re-Election

George Ritter, West Texas State University assistant professor of government, has filed for re-election to place three on the Canyon City Commission.

The terms of Ritter, Mayor Paul Lindsey, place one, and H. R. Fulton, Jr., place two, will expire this year and the election has been scheduled April 2. Lindsey and Fulton have not filed.

To be eligible to fill one of the vacancies, candidates must be able to vote in city elections, must own property and have no delinquent city taxes. Filing deadline is March 2. Also to be offered in the April election will be bond issues totaling \$440,000 for sewer plant expansion, sanitation and street and drainage improvements.

Seeking nomination on the Democratic ticket are Leigh Fischer and Carroll Brown, both Amarillo attorneys. Fischer applied for the post of county judge following the death last fall of Judge Lloyd King. He again applied after the resignation of Judge Pat Mulloy.

Brown was a candidate for the office in 1960 and led a field of four in the primary. He was defeated in a runoff election by Wayland Angel of Canyon.

Republican contender for the post of county judge is C. N. Cosby, Canyon businessman. Cosby made a strong bid for the post in a race against Judge King two years ago.

The race for County Commissioner, Precinct 1, is wide open. The incumbent, B. R. Jones, is not seeking re-election. Five Democrats and two Republicans are seeking the post. Latest to announce on the Democratic ticket is J. S. "Hon. est Jess" Williams, owner of the Avalon Ballroom in Amarillo.

Other Democrats in the race are Wayne Kelso, Forrest Walker and J. W. Oglesby, all Amarillo businessmen, and J. I. "Jim" Fletcher, Randall County farmer and rancher.

S. G. "Roy" Stockton and David L. Clifton, both of Amarillo, are seeking the Republican nomination for Commissioner, Precinct 1.

Bill Money, the incumbent, is the only Democrat in the race for tax assessor-collector. He will be opposed next fall by Mrs. Audrey Bruse of Amarillo who is running on the Republican ticket. Mrs. Bruse came within 66 votes of winning the race for county treasurer in 1966.

In the meantime, primary races have shaped up in both parties for county chairman. (See POLITICS Page 6)

Water Planning Said Important

The High Plains will be able to feed our people and its dependents in the year 2,000, if we have sufficient water, Tom McFarland told the Underground Water Conservation committee of Randall, Potter and Armstrong Counties Monday night.

McFarland is District I Underground Water Conservation manager. He spoke at a meeting of the committee at a dinner meeting here in Canyon.

"We must make plans now to bring water to this Plains area," he said.

He said plans call for bringing water in from the Mississippi River and storing it in the water bearing sand formation

Junior High School Building

Decision Tuesday

Bond Issue Vote May Be In Offing

Decision on whether to call a bond issue for construction of a new junior high school building probably will be made at a meeting of the Canyon school board next Tuesday night.

The question has been placed on the agenda for next week's meeting. It probably would have been settled at a called meeting Tuesday night of this week had one board member not been absent.

Estimates last spring placed the projected cost of a new junior high school facility at about \$1,200,000. School Superintendent Jerry Jacobs Tuesday night told the board that the cost of such a building now will run from four to six percent higher.

Jacobs told the board that it

will be necessary to make a restudy of junior high school needs. "We will have to re-study and do some re-arranging," Jacobs said.

Board President Wesley Cox expressed himself in favor of visiting other new junior high schools over the state in an effort to plan the best possible facility for Canyon.

There was a consensus of the board against remodeling the present building as had once been contemplated. Architects estimated last spring that it would cost 65 percent as much to remodel as it would to construct a new building.

The main building was constructed in 1923 and the south annex in 1928. The north annex was constructed in 1954 and up to now, plans have called for the north annex to be tied in to any new building.

"I'm for bringing it (a construction bond issue) to a vote and let the people decide," declared Board Member Bill Davis Tuesday night. The board decided against making a decision Tuesday night because of

Faulty Pump Stalls Judge

County Judge P. H. Mulloy missed the regular commissioners court meeting Monday because of a stalled automobile. Judge Mulloy said he went home to South Amarillo for lunch and when he started to return to Canyon for the meeting his car wouldn't start. He blamed the trouble on a faulty fuel pump.

Commissioners conducted only routine business.

The court authorized Randall County Criminal District Attorney George Dowling to draw up a deed giving the city of Canyon the county library, its contents and the lot it occupies.

A plat of McCormick Estates was accepted by the county. It was presented by developers Horace Dwight and Douglas Smith of Amarillo.

The court authorized the advertising for bids for a steam washer for Precincts 3 and 4 and a crew pickup truck for Precinct 3.

The court agreed to advertise for bids for county fuel. Marvin Harvey presented a plan for Blue Cross-Blue Shield hospitalization insurance for county employees.

Representatives for Datamedia gave a demonstration of a punch-card voting machine for the court. Datamedia is one of three firms bidding on the supplying of punch-card voting machines for the county.

Datamedia has offered to conduct an election for the county before any contract of purchase would become final.

WTSU Gets HEW Grant

A Title I supplemental construction grant of \$60,870 has been awarded to West Texas State University by the office of education in the Department of Health, Education and Welfare.

US Congressman Bob Price, in a telegram to The Canyon News Wednesday, said the \$60,000-plus grant would be used for instructional and office building construction at WTSU.

The grant money, said WTSU Financial Vice President Virgil Henson, will be used to help finance a \$3,200,000 administration-classroom complex now under construction on the campus.

The complex, which will house business, English and mathematics departments, also includes administrative offices and will be completed this summer.

Voters Go To Record

About 24,100 Randall County residents have registered to vote in the 1968 elections, although a final tally will not be available until later this week.

Although deadline for registering was Jan. 31 at midnight, deputies in the tax assessor-collector office have been preparing the final forms to be returned to those who registered by mail. Numerical and alphabetical lists must be prepared and voters listed in each of the 20 precincts.

Previous high registration was in 1967 when 16,320 signed to vote and in 1964, last presidential election year, approximately 13,000 were recorded.

About three fourths of the total number recorded registered in South Amarillo. Although no poll tax was charged this year, every-one planning to vote was required to register.

Tags On Cars By April 1

Motor vehicle license plates, which went on sale at the Randall County Tax Assessor-Collector office last Thursday, must be on all vehicles by April 1.

The license plates, which are also available at the tax office sub-station at 3806 South Bowie in Amarillo, may be obtained after those making the purchase show a current registration receipt and title of ownership.

Commissioners conducted only routine business.

The court authorized Randall County Criminal District Attorney George Dowling to draw up a deed giving the city of Canyon the county library, its contents and the lot it occupies.

City Bond Vote Slated In April

A \$440,000 bond issue, if approved by Canyon voters in April, will be financed through general obligation bonds. City Commissioners agreed Monday.

Joe Smith of Dallas, representative of the First Southwest Company, was present to explain various approaches that

might be used in offering the bond issue to Canyon voters April 2.

Those items to be included on the bond issue will be sewer plant expansion, \$212,000; sanitation improvements, \$26,000; and street and drainage improvements, \$200,000. The need for the bond issue has been discussed by the council for several meetings, but Monday's action was the first formal step toward financing the three major projects.

Smith said of the city's 1967 assessed tax valuation of \$15,614,340 that the average annual proposed general purpose bond requirement calculated at five per cent would

Scout Sunday Highlights Observance

BY LORENA MILLER

National Boy Scout Week, which began Wednesday, will be observed during Canyon church services Sunday.

Boy Scout Sunday will serve as the official observance of the week-long slate of activities here. Cub Scout Pack, Boy Scout Troop and Explorer Post members will wear the official scouting uniforms and sit together at the morning church worship services. National scout week will conclude Tuesday.

Local scouts will also observe the 58th birthday of scouting by placing posters and displays in various business windows in Canyon. A number of local scout troops are currently involved in winter ski outings in the mountains of New Mexico.

In late February, Cub Scout

Packs will hold their annual "Blue and Gold" banquets.

Scout membership in the Randall District of the Llano Estacado Council, which includes Canyon and Happy, has a current roll of 130 Cub Scouts; 164 Boy Scouts; and 44 Explorer Scouts, according to Ralph Mardis, district commissioner. Figures shown are for January 12, 1968, reports Mardis.

Scouting had its beginning when a young British army officer, Robert Baden-Powell, was stationed in South Africa to train new soldiers from England in the skills of tracking, trailing and wilderness living. Remembering his own training, he worked out a series of games and activities to make his men physically strong, self-reliant and able to live comfortably in the wilderness. When General

Baden-Powell returned to England he was persuaded to develop his ideas into an organization for boys and in 1907 took twenty boys to camp on Little Brownsea Island, off the coast of England, to tryout the new program. This was the first outdoor camping experience in scouting. The next year, 1908, Baden-Powell published the first scouting handbook, "Scouting For Boys".

America's introduction to scouting came February 8, 1910 when William D. Boyce, an American publisher, and others formally incorporated the Boy Scouts of America. The scouting movement progressed throughout the United States and according to records from the Llano Estacado Council in Amarillo, "Scouting was organized in Canyon July 19,

1919 with 18 members chartered in Troop #30." Next news of scouting in Canyon came in the fall of 1926 when eight boys of Troop 30 received their Eagle Award.

According to council records: "Dr. J. A. Hill was most instrumental in getting the movement started, and served as first district chairman." Levi Cole served as scoutmaster for Troop 30 for approximately 15 years, followed by D. A.

Nicholas.

In 1961, Dr. J. A. Hill received a letter from C. W. West, one of the original members of Troop #30 which read in part that "the troop was sponsored by the Canyon Rotary Club. . . in the fall of 1927 we entered the Tri-State Fair in a number of competitions and won \$87.00 in prizes out of a total of \$100. . . we also won most of the camporees in those days. We went to camp near Claude and were active in all activities of the old Panhandle-Plains Council."

The old Panhandle Council was reorganized in 1926 to become the Adobe Walls District (Pampa) and the Amarillo Council. The Amarillo Council was changed to Llano Estacado Council in March 1939 and includes nine counties and two townships in its council

Dads Date Daughters On Friday

Girl Scout fathers will be entertained by their daughters Friday evening at a special Sweetheart Banquet sponsored by Canyon's Girl Scout and Brownie troops.

The box supper affair will begin at 7 p.m. in the cafeteria of Rex Reeves Elementary School. Entertainment will be provided by the various scout troops with the senior scouts in charge of program arrangements. Kay Nester will officiate as mistress of ceremonies and Mrs. Billy Hill's troop will be in charge of the opening flag ceremony, according to Mrs. B. J. Ormsby, banquet chairman.

Fathers of scouts at Gene Howe will also be entertained Friday evening with a box supper. The event begins at 7 p.m. in the Gene Howe cafeteria and Cynthia Fowlkes will serve as mistress of ceremonies. Arrangements were made by Mrs. Carl Johnson, adult supervisor.

I have been humming or singing low to myself the tune of "The Lone Prairie", I know the tune well but do not remember some of the words used in his plea and can only use the lines I remember, and am thinking you might help me in securing the ballad of this old folk--and maybe some of the others you mention in your column in this issue of the News which I received while humming the tune, as your column is always next after glancing only at the prominent headlines on page 1.

This humming some of these old tunes by an elderly man like me--will be 85 come Feb. 6th--but it can't be called a bad trait for driving a car alone to prevent dozing at the wheel, or maybe to keep my mind off some of the unfavorable things that is happening to this Grand Old U. S., at this time. If you can give me any information requested above kindly jot it down and pass along in the enclosed ready stamped and addressed cover. Am enclosing my check in the amount of \$5.00 for one year subscription to the News.

Very truly yours,

BOY SCOUTS of Canyon from Troop 66 representing the levels of scout work are Alan Mardis, second class, kneeling left; Ron Williams, tenderfoot, kneeling left; Denny Bryan, first class, standing center front; and back row from left, Dan Zevly, star scout; Steve Daugherty, Eagle scout; and Richard Fulton, life scout. The twelve points of the Scout Law are portrayed by the lower tier of candles and the top three candles represent the basics of the scout oath, "Duty to self, God and country."

Scout . . .

(Continued from Page 1)
"Troop is the oldest scout organization in Canyon which has had continuous activities and growth since its inception in 1931".

Canyon's first attempt at Cub Scouts came December 15, 1938 with the organization of Cub Pack 30 which was sponsored by the First Presbyterian Church with Rev. A. M. Dorsett as cubmaster and Mrs. T. M. Moore, Sr. as the first den mother. The pack went inactive October 1, 1946, and has not been reorganized here. According to Llano Estacado Council records the Cub Pack 30 number is now being used for an Amarillo group of scouts.

First Methodist Church sponsored Canyon's second attempt at Cub Scouting when Pack 31 was chartered in April 1946 with Charles L. Joyner as cubmaster. When Pack 31 was re-registered in 1952 the new sponsor was the First Presbyterian Church and a new pack (Pack 131) was organized and chartered at the First Methodist Church in November 1962. In 1966, when the two Packs were re-chartered the numbers were changed so that presently Pack 131 is sponsored by the First Presbyterian Church with Calvin Davis as cubmaster and Pack 31 is sponsored by the First Methodist Church with Meade Michael as cubmaster.

"For ten years there (May 1952-November 1962) the First Methodist Church did not sponsor any Cub Scout activities," said Gene Morrison, Morrison was serving as neighborhood commissioner when Pack 131 was organized in November 1962. Pack 131 was changed to Pack 31, to coincide with the church's Boy Scout Troop 31 in November 1966.

Other Cub Scouting activities in Canyon include Pack 66 which was chartered in May 1964 with First Christian Church as sponsor and Lee Roy Moreland as first cubmaster. Present cubmaster is Marion Allen.

Cub Pack 97, sponsored by the First Baptist Church, was organized in March 1954 with W. C. Jarnagin as cubmaster. Cubmaster now is Norman (Smoky) Stover.

Canyon's first endeavor for advanced scouting on the Explorer Post level came October 31, 1953 when Explorer Post 66 was organized and chartered to the First Christian Church with John M. Morris as advisor. The Post has continued to be active and is presently being served by Floyd Lassiter as advisor.

The second Explorer Post established in Canyon was Post 31, sponsored by the First Methodist Church. The Post was chartered June 30, 1961 with M. S. Downing as advisor. Keith Jones is now serving as advisor for the Post.

Boy Scouting in Canyon has grown and developed over the

past 36 years, since Troop 31's origination in 1931. The present rank of Boy Scouting includes three additional troops.

Troop 66 (Boy Scouts) was chartered May 31, 1948 under the sponsorship of All Saints Episcopal Church and Dr. Charles W. Martin was the troop's first scoutmaster. On May 31, 1951 the First Christian Church took over sponsorship of the Troop. The First Christian Church still sponsors the troop which is currently led by Bob Brotherton, scoutmaster, and Charles Peckenpaugh, assistant scoutmaster.

Canyon Rotary Club was the chartering sponsor for Troop 108 which began in April 1963 with Billy M. Brown as scoutmaster. The troop was directed by the late Dick Ziegler as scoutmaster from December 1962 until his death last April and is now under the leadership of Lloyd Winkley, scoutmaster.

In October 1964, Troop 197 (Boy Scouts) was chartered to the First Baptist Church of Canyon with Newton Richardson as first scoutmaster. Archie Davis is the scoutmaster now.

The scouting picture in Happy began May 1936 with Rev. H.C. Akers as first scoutmaster for Boy Scout Troop 34. The group chartered with 22 boys and is sponsored by the Happy Lions Club. Larry Sexton is currently scoutmaster of the troop.

MRS. HAROLD J. PRICHARD received bracelet charms representing the ranks of "tenderfoot" and "second class" from son, Ben, at the annual Boy Scout Troop 66 sweetheart banquet

which was held Monday evening in the cafeteria at Rex Reeves Elementary School. The bracelet charms represent Ben's accomplishments for the year in scouting.

Troop 66 Holds Banquet

Annual Sweetheart banquet for Boy Scout Troop 66 was conducted Monday evening at Rex Reeves Elementary School.

Approximately 160 persons attended the event.

Stephen Daugherty, senior patrol leader, served as master of ceremonies for the program which was opened with an invocation by Oscar Hinger, former scoutmaster for Troop 66 who presently serves as Randall District Chairman.

Highlight of the program was the presentation of bracelet charms from each boy to his mother in recognition of his achievements in scouting for the past year. The mothers were presented with the scouting charms as they entered through an oversize heart which was decorated for the occasion by Mrs. Lee Roy Moreland. The ceremony was opened with group singing of "Let Me Call You Sweetheart" which was led by Mrs. H. R. Fulton, Jr. with Mrs. M. L. Word as accompanist. The opening song was dedicated to Mr. and Mrs. Luke Miller on the occasion of their

thirtieth wedding anniversary.

Miller serves as institutional representative for the troop and the First Christian Church, which sponsors the troop. Other special guests were Charles Peckenpaugh and Paul Sturdivant, assistant scoutmasters, who assisted with the presentation of charms and the Oscar Hingers.

Scoutmaster Bob Brotherton gave information concerning camping opportunities for troop members this summer and also related information applying to Boy Scout Week here. Brotherton's summer outline for Troop 66 included summer camp at Camp Don Harrington, June 23-29; the Philmont 12 day expedition; a junior leader instructor training camp; Philmont conservation camp; and the Charles L. Sommers wilderness canoe trip. The troop honored Mrs. Bob Brotherton with a Valentine box of candies.

Mrs. Hinger was also presented a bracelet charm in recognition of her husband's service to scouting.

The program was concluded with a series of slides on Big Bend National Park, where the troop plans to take their wilderness trip in late July. The slides were shown by Dr. Frank Daugherty.

Senior Patrol Leader Stephen Daugherty presented slides of the Llano Estacado Council group which attended Philmont

Scout Ranch last summer. Among the group were Daugherty, Bob Bullock and Bruce Crager.

Additional awards presented were to Sandy Hair, Lynn Salmon and Bobby Brotherton for serving as junior assistant scoutmasters and to Stephen Daugherty for his service as senior patrol leader. Each of the boys were presented with bracelet charms.

The benediction was given by Stephen Daugherty.

Decorations for the event were provided by Mrs. Robert Brotherton, head table; Mrs. Frank Daugherty, senior patrol table; Mrs. H. R. Fulton, Jr., Buffalo patrol table; Mrs. J. L. Uphaw, Eagle Patrol table; Mrs. Joe Markham for Mrs. Carl E. Hair, Thunderbird Patrol table; Mrs. Edwin Low, Gazelle Patrol table; Mrs. Claud Zevly, Cobra Patrol table; Mrs. Ada Crager, Falcon Patrol table; and Mrs. Joe Gidden, Cougar Patrol table. The women in charge of decorating each table are the mothers of the patrol leaders.

Water . . .

(Continued from Page 1)

In this country use 1500 gallons of water per capita per day and that 15 tons of water is required to produce one pound of beef. He said the present supplies of ground water reservoirs are being depleted.

He noted that a study is already underway at Lubbock to determine the feasibility of using the water bearing sand formation as a storage place for water pumped in through canals.

Returning to the critical need for producing food, McFarland said that our food surpluses already are gone. In 20 years we will have more hungry people in the world than we now have.

He speculated that it will become necessary to do away with pets because they will be eating too much. He declared that registered dogs in this country now consume more protein than would be required for the diets of 4,000,000 people.

McFarland estimated that it will cost about \$6.3 billion to bring water to the Plains in four canals. "We already are spending \$7 billion a year on flood controls," he asserted. This immediate area will lie between two of the canals.

"Now is the time to do some planning," the speaker went on. "Water is not a farmer problem. It is a people problem and business should help pay for it."

He said the alternative to bringing in water is to allow the area to return to a near desert state.

McFarland showed some slides and commented on a trip to the West Coast where he and a group of water conservationists saw water being shipped by canal and stored in much the same manner as contemplated here.

McFarland was accompanied to Canyon by Cliff Thompson, district secretary. Andrew Kershner of Hereford presided over the meeting.

Members of the Randall Committee include Richard Friemel, Carl Hartman, Jr., Ralph Ruthart, R. B. Gist, Jr., and Marshall Rockwell.

dents scheduled to perform for the Grand Concert Saturday night in All-State presentations for choir, band and symphony orchestra.

Conductors for the Grand Concert will be Dr. William D. Revelli, conductor of bands at the University of Michigan, for the All-State Symphonic Band; Vaclav Nelhybel, internationally known composer, conductor and lecturer, for the All-State Symphonic Orchestra; and Dr. Howard Swan, chairman of the music department for Occidental College in Los Angeles, for All-State Choir.

A variety of workshops, clinics, special exhibits and other activities are also planned for the elementary music division under the theme "The Changing Scene for Music Learning."

The clinic-convention will be coincided with a Trade Show where music publishers, instrument manufacturers and other music-related firms will exhibit their products. Also included in the convention agenda will be a student talent review and other social events and performances by outstanding groups throughout the state.

Eagle Varsity Takes Contests

Canyon High School's Eagles basketball squad took two cage contests last week, dropping Muleshoe 59-52 and Hereford 71-61.

Lon Conner led the Eagle scoring against Muleshoe with 17 points, followed by Jackie Thrasher with 15 and Robert Olson with nine. One Muleshoe player scored 22 points.

Canyon led Muleshoe 17-13 at the end of the first period, but was tied 27-27 at the half and 42-42 when the fourth quarter began.

Of the 30 shots taken by Canyon from the charity line, 22 were made for a final percentage of 73.

Auditions . . .

audition those who were unable to attend January tryouts.

At 3:30 p.m., Brantley will interview instrumentalists. There are parts for guitar, violin, accordion and double bass in the production.

More than 90 auditions have been heard for "TEXAS" and the directors and Raymond Raillard, theatre manager, will hold tryouts March 2 in Arlington at the Six Flags Inn.

Cast members must be available from beginning rehearsals June 1 through Labor Day.

Canyon's second squad also downed a Muleshoe team 74-35.

Lynn Salmon led scoring with 15, followed by Bobby Martin and Larry Daniels who each had 13. Of 36 free throws attempted, the Canyon squad sank 21.

In the varsity clash with Hereford, Canyon led 28-14 at the end of the first period of play and had advanced to a 56-36 score when the third quarter came to a close. Of 22 free shots attempted, Canyon sank 16.

Conner sank 16 baskets, followed by Steven Butler with 14 and Olson with 11.

While the varsity won over Hereford, the Eagle 'B' team fell 70-77.

Salmon made 16 points and Kyle Sunderman sank 15 to lead the Eagle scoring against Hereford in the 'B' clash.

Of 24 free throws attempted, Canyon made 14.

The Eagles will close out their season with A and B games Friday and Tuesday.

The Eagles will travel to Dumas Friday for two games and will play host to Tulsa's A and B Tuesday. Both the varsity contests are district games. The 'B' clashes, both in Dumas and here, begin at 6:30 p.m.

be \$42,062. With a 29 cent tax rate at 95 per cent collection, produced would be \$43,018.

Commissioners said they would decide how much to hike taxes at their Feb. 19 meeting.

City Manager Paul Davis said any additional revenue received would help the coverage of the bonds and Mayor Paul Lindsey said the commission might be able to approve tax hike from the present \$1.50 per \$100 valuation to \$1.60 or \$1.65 per \$100 valuation.

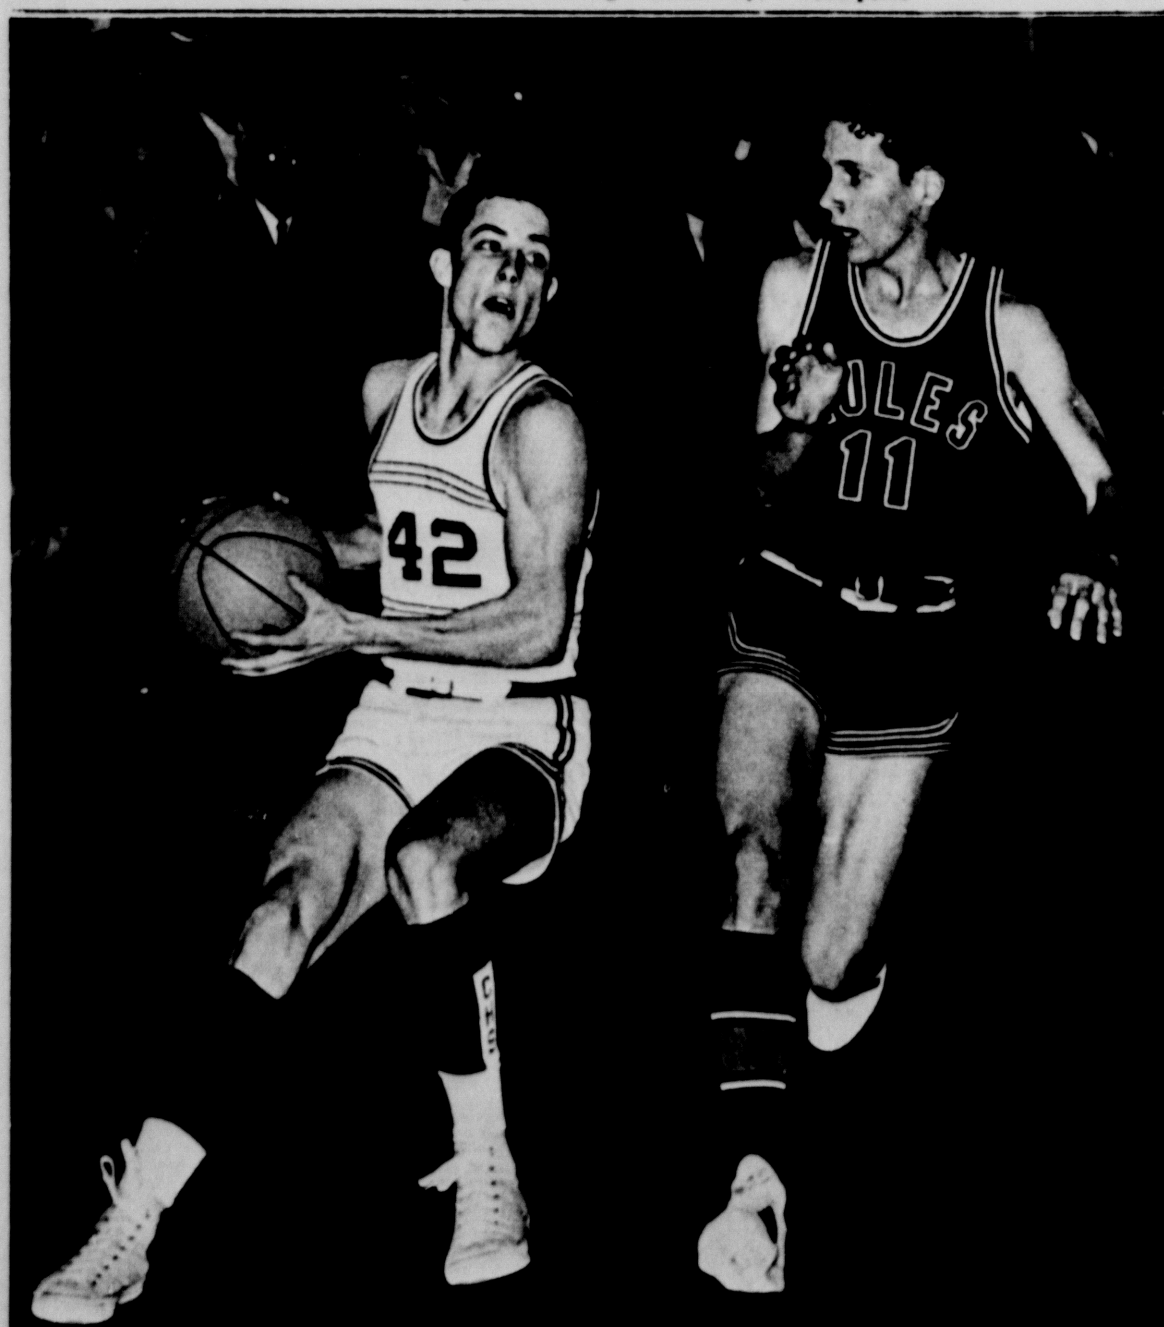

Commissioners discussed the possibility of asking voters to consider a one per cent city sales tax, but noted that if the action was not approved the matter could not again be brought to the polls for two years.

Smith said interest on the \$440,000 bond issue that will mature March 1, 1987 would be about \$225,000. He added that the present general purpose bond requirements, that end in 1975, total \$28,998 and that waterworks general obligation bond requirements were \$159,389 and will end in 1974.

In other business, commissioners learned that the city streets running through West Texas State University have been closed to non-student traffic.

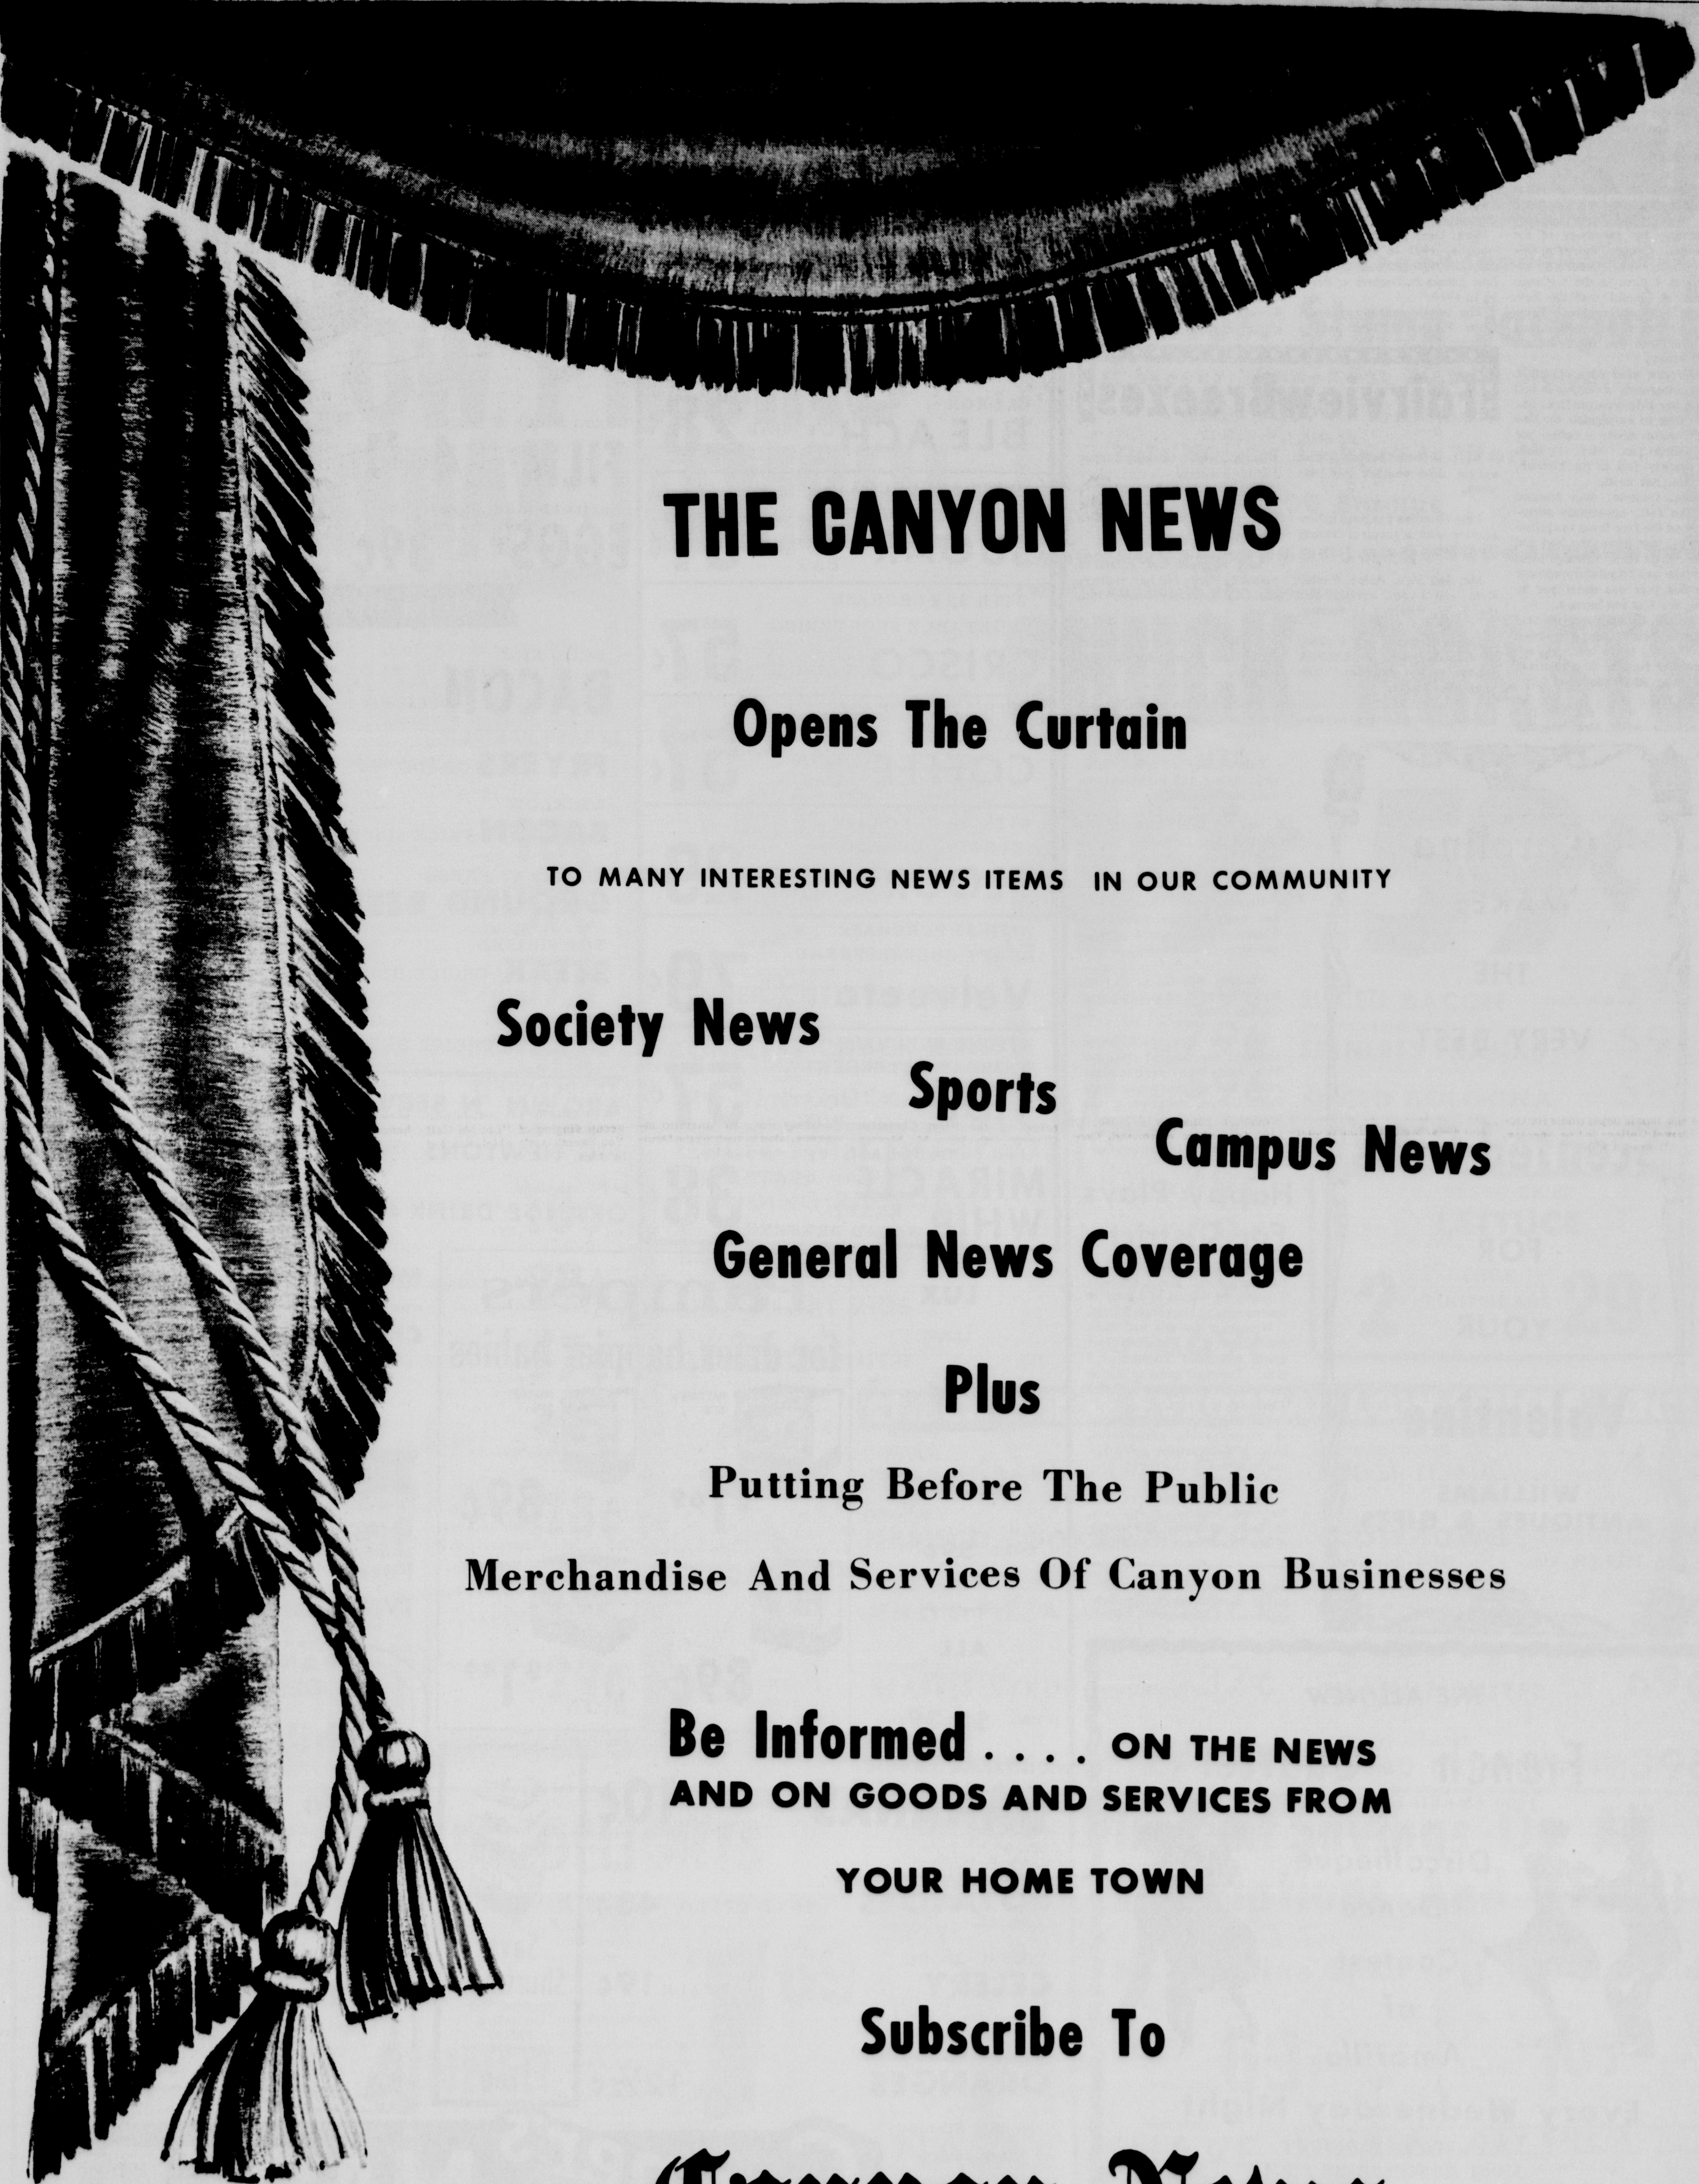

Commissioners earlier said they would dedicate the streets to WTSU through a resolution when the university officials furnished a copy of the metes and bounds. The copy has not been furnished by WTSU and no resolution by city dads has been passed, nor has an ordinance been prepared.

A resolution passed Monday will extend the bid period for the city's annual supply of gasoline, oil and fluid until the next meeting of the group. Only one bid has been submitted.

LEWIS CHRIS GERALD (42) fakes to his left in an attempt to shake this Muleshoe High School player in recent cage action. The

Canyon High School varsity squad took the contest by a final tally of 59-52.

Woman's Funeral Rites Are Conducted Here

A 60-year-old woman died of carbon monoxide poisoning in her home at 807 12th Street last Tuesday night, according to a coroner's ruling.

Funeral services for Effie Wooten Daniels, who was found in her home last Thursday morning by members of the Randall County Sheriff's Department, were conducted Friday at 2 p.m. in the LaGrone Funeral Chapel with the Rev. Gene Suttle of Hereford's Temple Baptist Church officiating.

Interment was in Dreamland Cemetery.

Officers said Mrs. Daniels was apparently smoking in bed when her pillow caught fire. Attempting to extinguish the fire with water from a coffee pot and dish pan, Mrs. Daniels apparently fell in the kitchen, striking her head.

Mrs. Daniels, then stunned by the fall, apparently extinguished the fire from the pillow but by that time the bed had also caught fire. Although Mrs. Daniels was found slumped near the bed that was destroyed by fire, she was not burned.

Sheriff L. S. Johnston said the four-room house was closed so tightly, there was no opportunity for the fire to blaze or ignite other pieces of furniture.

Officers were notified last Thursday when Mrs. Daniels

did not report for work at the West Texas State University Cafeteria, where she was employed as a cook.

Ruling on the death was made by Randall County Justice of the Peace W. A. (Bill) Wilson, acting coroner.

Mrs. Daniels, who was born Aug. 4, 1907 in Indian territory in Oklahoma, married the late James E. Daniels at Pampa in 1942.

The couple moved to Canyon from Pampa in 1962 and he

died July 26, 1966.

She was a member of Canyon's Southside Baptist Church and the Order of the Eastern Star.

Survivors include two sons, Raymond H. and Thomas M. Spencer, both of Amarillo; a brother, Johnny L. Wooten of Knoxville, Tenn.; and eight grandchildren.

Funeral services were held at the home of Mrs. Daniels, 807 12th Street, Tuesday evening.

Christian Announces Candidacy For Post

Tom Christian, an Armstrong County farmer and rancher, has entered the Republican Primary election for the office of state representative of the 75th Legislative District. This district is made up of Armstrong, Briscoe, Carson, Collingsworth, Donley and Randall Counties. He is the grandson of Mrs. T. W. Collins, a retired Canyon school teacher who taught school in Canyon for many years.

is also a director of the Greenbelt Electric Coop, a director of the Panhandle Livestock Association, a director of the

TOM CHRISTIAN

"I think the two party system is essential," said Christian in announcing his candidacy. "I think it is most important to have a balance of power in the legislature."

Mr. Christian has been chairman of the Armstrong County Republican Executive Committee since 1960, and he was a state delegate at the 1962 convention. He is a strong advocate of state government, sound law enforcement, and is opposed to a state income tax.

"Last year for the first time the Texas Legislature went into one year financing and this will cost the taxpayers \$15,000 per day just to conduct the session," Mr. Christian said. "As a Republican I feel I would be free to work for a more responsible handling of state funds."

Having taught school he realizes the necessity of a strong educational system in the state and favors local control of the schools at the secondary level.

Mr. Christian is a graduate of Claude High School and received his B. S. degree from West Texas State University in 1955. He served two years in the U. S. Naval Ceremonial Guard in Washington, D. C.

He is an active member of the Claude Methodist Church. He

sociation, a director of the Armstrong County Medical Center, and a member of the American Legion, and the Claude Chamber of Commerce. He helped organize the Palo Duro Shooting Preserve and is an outfitter for the organization.

Mr. Christian is married to the former Anne Thomas of Ralls, Texas and they have three children, Frances Anne, age six; Joe, age four and Richard, one year old. Mr. Christian's grandparents settled in Armstrong County in 1888. (PD, POL, ADV.)

NEW POSITIVE DRUGS
REPLACING OLDTIMERS

Each new year has brought us new drugs which differ greatly from the guesswork ingredients of past years. It is difficult to realize that less than a hundred years ago, you could count on your fingers the known drugs which could be depended upon to give a positive medical result.

Now the multi-ingredient, hope they work, mixtures are rapidly disappearing. We have single ingredient medicines which can positively cause a desired result. We have drugs which raise or lower blood pressure. Others permit a diabetic to live a normal life. We can fill any prescription.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

The bride is the daughter of Mr. and Mrs. W. C. Riddle of Lamesa. Parents of the bridegroom are Mr. and Mrs. L. P. Ash of Canyon.

W. T. Hamilton, minister of Church of Christ in Plainview, officiated at the exchange of double ring vows. The chapel was decorated with an arched candelabra accented with a garland of salal foliage and bearing blue tapers. The altar was flanked with baskets of white gladioli and blue carnations.

Musical arrangements appropriate for the occasion were

presented by Polly Miller of Canyon.

Given in marriage by her father, the bride's gown was formal length of white tulle with rolled collar and petal point sleeves of French imported chantilly lace. A tiara set with pearls held her waist length veil of bridal illusion. She carried a cascade arrangement of white Frenched carnations accented with touches of blue.

Maid of honor was Judi Flache of Canyon. The bride's cousin, Gina Garrett of Lubbock, served as flower girl and the ring bearer was T. J. Ash of Canyon, brother of the bridegroom. Best man was Mike Barnes of Amarillo. Sharing ushering duties were Randy Elliot of Canyon and Steve Baker of Amarillo.

The maid of honor was attired in a formal gown of blue tulle with a bow of matching material and she carried a crescent bouquet of Frenched blue carnations trimmed in white.

A reception honoring the couple was held at the Church of Christ Bible Chair. Out of town guests were registered from Lubbock, Lamesa, Plainview, Amarillo, Hereford, Borger and Elkhart, Kansas. Presiding at the guest register was Miss Jerita Jones of Lamesa.

Members of the houseparty were Becky, Anne and Glenda

Riddle of Lamesa, sisters of the bride, Brenda Stovall, Mary Jo Malaise, Sandy Dirkin, Sandy Roberts and Lynda Hall of Canyon, Mrs. Dee Phillips and Mrs. Vernon Fleniken of Lamesa.

COOK OF THE WEEK Shares Family's Favorite Recipes

BY LORENA MILLER

Favorite family recipes for Green Enchiladas, Cornbread Tamale Pie, Fresh Apple Cake and Carmel Pie are shared with our readers this week by Mrs. A. J. Pettit of 1905 Fourth Avenue.

Mrs. Pettit, the former Lucille Pior, was raised at Pettit, near Levelland. Her mother, Mrs. E. O. Pior, still resides in Levelland. She has three sisters including Katherine Adcock of Levelland, Monnie Franklin of Fort Worth and Genevieve Mayfield of Phoenix, Arizona; and one brother, Odum Pior, in Washington.

A graduate of Pettit High School, Mrs. Pettit has continued her studies with a variety of courses at West Texas State University.

The Pettits were married in 1934. He is a graduate of Levelland High School, although the Pettit community was named for his father, the late J. H. Pettit, who donated land for the Pettit school. Pettit's mother, Mrs. J. H. Pettit, resides in Artesia, New Mexico with his brother, J. H. Pettit, Jr. and family.

Rev. Pettit has been pastor for Canyon's Assembly of God Church since 1952. He attended school at Texas A&M University, West Texas State University and has completed a number of correspondence courses.

The Pettits have two children, who are both graduates of Canyon High School. Gaylene Burgess is the couple's daughter. She resides in Artesia, New Mexico and she and her husband have three children.

The Pettit's son, Dwayne, lives in Dallas. He is also a graduate of West Texas State University.

Collections of antique dishes and handblown glass pieces occupy spare time for Mrs. Pettit. She is also very active with women of the Canyon Assembly of God Church.

"My husband is an avid reader of good books," said Mrs. Pettit. She explained that both she and her husband enjoy antiquing furniture and woodworking together.

MRS. A. J. PETTIT sits beside a reproduction of an antique violin lamp which is one of her husband's favorites. As our homemaker this week, Mrs. Pettit shares recipes for Green Enchiladas, Cornbread Tamale Pie, Fresh Apple Cake and Carmel Pie with our readers.

The Pettit's favorite recipes are:
GREEN ENCHILADAS
1 can mushroom soup
1 can cream of chicken soup
1 can water
1 (4 oz.) can green chilies, chopped
1 med. onion, chopped
12 tortillas
1/2 lb. grated cheese.

Combine soups, water, chilies and onions. Fry tortillas in 1/2 inch of hot fat until tortillas are limp, about 30 seconds on each side. Beginning with tortillas, alternate layers of tortillas and soup mixture in a long flat baking dish. Top with grated cheese. Bake 25-30 minutes at 350 degrees. Yield: four servings.

CORNBREAD TAMALE PIE
1 lb. ground beef
1 large onion, chopped
1 can tomato soup
2 cups water
1 tsp. salt
1/4 tsp. pepper
1 Tbsp. chili powder
1 cup whole kernel corn
1/2 cup chopped green pepper
3/4 cup cornmeal
1 Tbsp. flour
1 Tbsp. sugar
1/2 tsp. salt
1 beaten egg
1/3 cup milk
1 tsp. baking powder

Brown ground beef and onion in skillet. Add tomato soup, water, seasonings, corn and pepper. Simmer for 15 minutes. Sift together the dry ingredients. Add beaten egg and milk,

stirring lightly until combined. Fold in cornmeal. Place meat mixture in greased baking dish and cover with cornbread topping. The topping will disappear, but will rise during baking and form a crust on top. Bake in 425 degree oven for 20-25 minutes, until cornbread is done.

FRESH APPLE CAKE
1 3/4 cup sugar
1 cup salad oil
2 eggs
2 1/2 cup flour
1 tsp. salt
1 tsp. soda
2 tsp. baking powder
3 cups chopped apples
1 cup coconut
1 cup chopped nuts
1 tsp. vanilla
1 tsp. each lemon, orange and almond extract

Combine sugar, oil and eggs. Beat until creamy. Sift dry ingredients together and add to sugar mixture. Stir in apples, coconut, nuts and extract. Bake in a greased and floured tube pan at 350 degrees for 60-75 minutes.
